

2023 Payment & Term Fees

Fees are posted on your parent portal account and payment is due by the end of week 1 in each term.

An account statement will also be sent to your email that includes a breakdown of classes, the payment due date, and payment options.

Payments can be made online in your parent portal account or by bank transfer (bank details listed on the account statement).

If paying online, your parent portal account fees will be automatically adjusted.

If paying by bank transfer, please email us a copy of the payment confirmation and allow a few days to see the fees adjusted on your parent portal. We will update this when we see a payment has been made.

The main content area shows the user's account balance: 'You owe \$90.00'. A 'VISA' logo is visible in the bottom right corner of the interface, with a pink arrow pointing to it. Another pink arrow points to the 'View' button for 'TEST STUDENT 1 *'.

Where possible, CDA will arrange a substitute teacher if the regular class teacher cannot attend. However, if a suitable cover teacher cannot be found in time and CDA cancels a lesson, a credit will be added to your parent portal account for the amount of the cancelled lesson.

There are no refunds for missed classes, make up classes can be arranged but **must be used within the same term.**

How does a make up class work?

If you miss a class (eg. due to sickness), you can email us to book in a make up lesson. The make up lesson can be in any class during the same term that you're not currently enrolled in, however, it must be within your age group (Minis, Petites, Juniors or Pre-Teen & Teen).
